High Speed Doors
PO Box 300877
Albany
Auckland 0752

To Whom It May Concern;-

Over the past two to three years High Speed Doors have been contracted by Euroclass Design and Build to manufacture and install Automated Roller Shutter Doors on numerous high-profile projects nationwide.

High Speed Doors have adapted well to the demanding time-frames and quality workmanship expected of every Euroclass subcontractor. Challenges that arise onsite are efficiently resolved, without imposing annoying cost variations.

Euroclass would recommend and have not the slightest hesitation in referring High Speed Doors as a preferred Commercial/Industrial Roller Shutter Door supplier.

Regards,

Paul Parkes
