Hi Speed Doors  
49B William Pickering Drive  
ALBANY

## **WESTNEY ROAD & MANU STREET UNIT 12 ROLLER DOORS**

To whom it may concern

Gibson O'Connor contracted High Speed doors to supply and install twelve six meter by six meter roller doors in the new warehouses for the James Kirkpatrick Group.

Thanks to Mel's commitment from tender to completion both projects went extremely well. Doors were site measured and delivered on time and installed within programme dates.

I would personally recommend High Speed Doors for future projects.

Regards
